

Thomas C. (Tom) Box

Married Jeanette Frances Spray in May 1967. Both of us are Christians and have been since our preteen years. We have two believing children; Brian and Jennie Beth who both have believing spouses. Three Granddaughters, the two oldest are believers. Teacher of bible classes since the age of thirteen Developer of class material and bible studies. Itinerate preacher of the Gospel who loves the Lord and His Word. I was born and

raised in Alabama and served 4 years in the USAF after high school graduation. I graduated from Midwestern State University with a degree in accounting and my professional life was spent as a CPA. I retired in 2015 and have been blessed to be a part of the HomeMission Program sponsored by the Faith Village Church of Christ in Wichita Falls, Texas since February 2016. My wife, Jeanette, and I will celebrate our 50th wedding anniversary in May 2017. We have a son, Brian who is 46, and a daughter, Jennie Beth, who is 40. Brian and his wife, Paige, have two teenage granddaughters. Jennie Beth and her husband, Anthony, have an 8 year old daughter. One of my greatest blessings is that of a believing and obedient family united in Jesus Christ. That means more to me than words can express. Growing up in a small country church environment, introduced me to teaching Bible classes at the young age of 13. Teaching God's word has been a part of my life ever since. As I grow older, I realize my time on earth is limited and I feel an increasing desire to share God's message as much as possible. It is an honor to preach and teach about God's love and His plan of salvation for mankind. Being a part of HomeMission is a blessing for me on so many levels. If I can be of service to you in any way, please, feel free to call upon me.
