

To the saints at Faith Village,

We just finished watching your Sunday evening service that was focused on your trip up to 6th Street church in Sioux City. It was so encouraging to see and hear the men speak who don't usually get up in front of the crowd to speak, and tell how the trip impacted them. We know that each person who came to Sioux City could have gotten up and told different things and how it impacted them. We wanted to write and tell all of you how it has impacted us.

First, we want to say thank you to all who came. Thank you from the bottom of our hearts for showing us your Christian example of your willingness to give of your time and talents. Thank you for the encouragement it gave us to give more of ourselves for the church. We were so glad to see you using the God given talents of constructing a deck, of putting up siding, of cooking and preparing delicious meals for such a big group, of going and visiting the people that we were trying to reach out to, of passing out flyers, of singing at the nursing homes, of working around our building with cleaning and painting, of holding a VBS and more so the love that you showed to the members of the 6th street congregation.

We so enjoyed seeing the youth be a part of the trip and know that they are learning so much at their age to become the future of God's church. We also enjoyed seeing the example of Dot who didn't let anything get in her way of reaching out to the community and be such an example to so many. It was good to start relationships that we hope will build and build in the years to come.

Your support spiritually, physically, and financially has really meant so much to all of us here. We do try the best we can with what God has given us and we are so blessed by God. But having all of you doing what you are doing and your willingness to be apart of us blesses us even more.

We have hope that our congregation will grow both spiritually and in numbers and that God will be glorified in all that we do and in all that you do.

We love you,

Nick & Vicki Bos
