

As a member of the Church for over 20 years, I am still amazed at the progress that we made over the last two years working with HomeMission. The congregation here has had a desire to hire a full-time minister for over 40 years, but never had the plan or direction necessary to achieve that goal. Because of HomeMission, we now are six months away from realizing our aspirations of beginning the process of hiring. HomeMission has given us all the tools to be able to start evangelizing in our small community of 1800. I can say without hesitation that they have accomplished their mission to encourage, equip and to train our brethren here to evangelize. Without their intercession, we would not have been here as a church much longer. We give all glory and praise to God for sending us such wonderful people to work with us in such a loving, kind and patient manner, just as Jesus would do.
