### MESSAGE FROM JOHN AND SUSIE ORR

To all our precious brothers and sister in Christ,  
The month of March has been a heartbreaking and anxious time for all of us. Due to the coronavirus outbreak, many have suffered physically, financially, and emotionally. Our hearts and prayers are with you all. We have been doing a lot of our work over the phone. But as you know, we had to cancel the Revive Us Again workshop. Most of you have had to cancel services, stay at home, and keep focused on the Lord. These are crazy times, but God will use these times to open our eyes to what is really important: JESUS.

I'm writing this letter instead of our usual report to let you know we will not be making any trips the rest of March or in April. We had planned to be in Iowa during that time working with several churches. We hope to be back on the road in May. However, this has been good from the standpoint of refining our work and offering better material for congregations. We are also working on plans that can help hundreds of congregations in the near future. We will update you very soon on some of these new developments. Also, this gives us time to work with Jack Cummings in developing plans and curriculum for the *HomeMission* School of Evangelism which will begin in August 2021. Classes will be held at the West Freeway church of Christ in the Fort Worth area. There will be 3 tracts the School will offer. We need to train our graduates going into the ministry, our members in all 50 states, and a one-week camp session for intensive training on evangelism. This will take a lot of time and effort, and this time off will help us in moving that forward. We will update you in future newsletters. I just hate to delay a month in helping congregations because that's another month where 6 plus congregations will close around the country. But God is in control. Jesus is the head of His church.

So, as the Lord admonishes us in Isaiah 41:10--

*"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."*

May the Lord bless and keep you all.

We love you with the Love of the Lord, John and Susie Orr
