Director's Report

Dear loved ones in the Lord,

WOW! October has been a very busy month! We started with the Franklin Street church of Christ in Indianapolis, Indiana. This is a church of about 35. They have a deaf ministry and a minister who works with both. It was amazing seeing him speak and interpret at the same time. What a talent for the Lord. The congregation was very willing and is already going to work to build a youth group and hold classes for kids. There was a large family that visited that Sunday and the congregation immediately made connections with them. They have seven children! We were assisted by a new **HomeMission** evangelist, brother Mike King and his wife, Kathleen, from Florida, on this visit. We are excited to have them on board. They plan to work with churches around the country next year starting in Florida. We went from there to the Houston area. We visited with the Deerbrook congregation in Humble, Texas. They are struggling with the lockdowns imposed by the Houston authorities, but they are in good spirits. We will return next year for another workshop. From there, we spoke with the Westhill church of Christ in Cleburne, Texas, then on to Brown Street church of Christ in Waxahachie, Texas. We visited Fairmont Park church of Christ in Midland, Texas, and then conducted a LAUNCH workshop at the Holly Lake church of Christ in Hawkins, Texas, with brother Jack Cummings assisting. Our busy month ended with our visit to our precious brethren at the Lockett Highway church of Christ in Vernon, Texas.

We are continuing to work on plans for the evangelism training school beginning August 2021 at the West Freeway church of Christ in Fort Worth. Brother Jack Cummings will be the director. October (10-16) of 2021, we will have our first intensive evangelism training camp at camp Pettijohn springs near Madill, Oklahoma. We have a lot to do before the first of the year. Please keep us in your prayers as we seek to shore up our support for next year and raise \$100,000 on Sunday, December 6. This work must continue to grow. More churches are in trouble due to the pandemic, and we continue to get calls for help each week. Thank you all for your prayers, support, and your love for the Lord. Pray that we stay well and can continue to go to these churches in need. Susie and I are still going to physical therapy from our accident when we are here. However, healed or not, it will all end in January, as we are pretty much booked till September of next year. May the Lord richly bless you and yours during the upcoming holiday season.

In the Love of Christ,

John and Susie Orr
