Director's Report

Dear loved ones in the Lord,

For many of us, February was a tough month. Many have been sick, and some have lost loved ones. We lost a very dear friend and fellow evangelist, Brother Jack Cummings. He was going to be the Director of the *HomeMission School of Evangelism* starting in September 2022, but he went on to be with the Lord. *HomeMission* will always have a special appreciation for what Jack has accomplished for the Lord. Though a big disappointment for us, for Jack, it was time to go home. Great evangelists will always be remembered, yet God raises up more to take their place. We live by faith for His glory! We are also making contact with many more churches in need, as well as some who want to join in and help. This past month, we have received 10 new requests from churches in four states. We also have dozens more to visit this year.

I will be holding a *LAUNCH* session March 21-24 at West Freeway (Fort Worth TX) church of Christ, It will be available on YouTube and on our website. Our *Revive Us Again* workshop will also be online this year, March 24-27.

God has exciting things ahead of us this year and beyond. Please keep us in your prayers, and thank you all for your love and support. You are all in our hearts.

Love,
John and Susie Orr

Director of Outreach Report

We are focused on evangelizing the world around us and that begins in our own backyard. We at *HomeMission* are focused on helping local churches be a picture of Christ in their communities. In doing this, we need to raise funds to provide materials and education for the local churches at no charge and for the School of Evangelism beginning in 2022. Please contact me if you would like to learn more about *HomeMission* or have questions about donating to this great ministry.

Evangelist Reports

Please continue to remember all *HomeMission* evangelists and the work they are doing to further the Gospel in the US!

Russell Blackwell – Childersburg (TX) church of Christ has confirmed June 4-10 for Cox Blvd's (Sheffield AL) 14th *Back to the Bible* Campaign. We have several from PA, OK, TX and other congregations in AL who want to be included. Everyone will be using the *Safety Chain of Scriptures* to teach Bible studies. Please pray for this effort to 'reach & teach' the lost.

James Sanderson – I participated in a recent *Zoom* workshop one night a week for 13 weeks with congregations in New York City, Colorado, Florida, South Carolina, and churches in the Caribbean, two in London, England, and one in the Philippines. Many conversions have since taken place and again, God is to be praised!!!

We are very saddened at *HomeMission* at the loss of one of our evangelists, Jack Cummings. Jack was such an encourager, great teacher, and outstanding preacher. He had visited *HomeMission* churches, was working on our future School of evangelism, and meant so much to us. Jack served as Outreach Minister @West Freeway Church of Christ. Our condolences go to his family and friends. Jack, thanks for all you've done for the Lord in your lifetime.

Congregation Reports
