

**WELCOME TO SIOUX FALLS  
SOUTHEASTERN CHURCH OF CHRIST**

**John and Susie Orr have been a very big blessing to us here at Southeastern Church of Christ in Sioux Falls, SD. Their energy and love for the Lord is inspiring and infectious. "Revive Us Again", the name of the workshop they facilitated, was a great experience for us all.**

**John has such a strong presence and delivers his message with clarity, wisdom and true conviction. There is no doubt it's on his heart to encourage and mentor us to find ways to grow our congregation. John helped us identify the areas we need to focus on, in order to grow and provided us with new tools to use to grow our knowledge of the word. Our congregation has been able to start a new visitation program, which will help us reach those who have fallen away and those who are seeking the Lord. This is just one of the results that came from working with the John and Susie.**

**John's candor, wisdom and wit paired with Susie's kind and motherly love is a combination you'll always be blessed to encounter. We would recommend working with them to any congregation. They will not disappoint!**
